

500MM X 685MM PLANT NAPPY

PRODUCT

The Ecospill Plant Nappy® Small is a compact, reusable spill containment solution designed for smaller machinery and equipment. Measuring 500mm x 685mm, it effectively captures oil, fuel, and hydrocarbon leaks while allowing clean water to drain through, ensuring environmental compliance. Ideal for use with generators, compressors, and other compact tools, its durable construction withstands harsh outdoor conditions.
