Product Information

Ingredients	Ethanol 64g/100g Alcohol Denat, Aqua, Glycerin, PVM/MA Decadiene cross-polymer, Aminomethyl propanol, T-butyl alcohol, Isopropanol (6.4g/100g)
pH	pH ~7.5
Method Of Use	Ensure hands are clean and dry before use. For general hygiene: Apply 1-2 doses (entire hand should be wetted) and rub well until dry (15-30 seconds). For disinfection according to EN 1500: Apply enough product to wet all parts of the hands for 60 seconds. Rub until dry
Shelf Life	Expiration date of 36 months after production is printed on inner packaging. Store in original container. Protect product from excessive sunlight. Avoid temperature extremes and store between 4°C and 30°C.
Handling Instructions	Use disinfectants safely. Always read the label and product information before use. Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. For more information, please refer to the Safety Data Sheet. May discolour certain fabrics or surfaces.
Regulatory Compliance	The biocide products commercialised under the Tork brand are in compliance with the Biocidal Product Regulation (EU) No 528/2012 and are approved for human hygiene purposes. The products are registered and authorised in the respective countries, where the products are sold. The products are in conformity with the REACH regulation (EC) No. 1907/2006 and its amendments. All non-biocidal ingredients are in compliance with the Cosmetic Regulation (EC) No. 1223/2009 and are considered as safe for human health when used under normal or reasonably foreseeable conditions. The biocide products are manufactured in accordance with good manufacturing practices (GMPs).
Certification	ISO 22716 (Good Manufacturing Practice); ISO 9001 (Quality Management System) & 14001 (Environmental Management)
Safety Data Sheet	For safe use and handling of the products, please follow the recommendations on the Safety Data Sheets. These are available on the Tork website in all required local versions according to legal requirements for each region (e.g. according to CLP for Europe).
