

PRODUCT DATA SHEET

EVERBUILD PATIO WIZARD®

Long lasting protection against algae, green growth, mould & fungi

PRODUCT DESCRIPTION

EVERBUILD PATIO WIZARD® is a new type of Mould and Algae treatment that kills and cleans all type of green growth without the need for any washing off, scrubbing or pressure washing. Totally safe and non-hazardous to children and pets, once dry EVERBUILD PATIO WIZARD® is made from biodegradable ingredients and does not include any bleach or acid contents. EVERBUILD PATIO WIZARD® is ideal for removing green growth from surfaces prior to painting, staining, sealing or applying roof coatings.

USES

- Paved areas such as patios and driveways.
- Block Paving, fencing, sheds and greenhouses.
- Perspex, polycarbonate panels and garden furniture.

- Registered with Department of Agriculture, Food and the Marine (DAFM) allowing sale in Ireland.

- For use only as specified as a surface biocide.
- On heavily soiled areas 2 applications may be required.

ECOLOGY, HEALTH AND SAFETY

User must read the most recent corresponding Safety Data Sheets (SDS) before using any products. The SDS provides information and advice on the safe handling, storage and disposal of chemical products and contains physical, ecological, toxicological and other

safety-related data.

APPLICATION INSTRUCTIONS

APPLICATION

Dilute with water at a maximum rate of 1 part EVER-BUILD PATIO WIZARD® to 9 parts water, and mix briefly before applying. Apply by watering can with a rose sprayer, garden sprayer, paint brush or sweeping brush depending upon area to be treated.

Whilst this product is designed to be safe to use on most 'water safe' surfaces we recommend that you test a small inconspicuous area if unsure.

Apply at an approximate rate of 1 L per 3 - 6 m².

Note: ensure any debris such as leaves, twigs, loose soil or weeds are removed from surfaces to be treated prior to application. After applying, simply leave for 1 - 3 days and the green growth will slowly disappear (in a similar manner to the way weedkillers work).

On heavily soiled surfaces a second application may be required.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for exact product data and uses.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
